2022-2023	23,409	20,137.30
2023-2024	23,360	In progress

Our Vision Statement

At Uphall Primary School, we believe physical activity should be an integral part of children's lifestyles, so they develop into healthy and active adults. We deliver a high quality, broad and engaging P.E. Curriculum to enable and encourage all children to reach their full potential. Through rich and varied extra-curricular opportunities children are enabled to participate and compete both within and between schools in the Borough.

We are using the School Sports Premium funding to improve the quality and provision of Physical Education and Sport. It is very important to us to ensure that anything that is put into Uphall Primary School lasts over time and does not just impact during the years that the funding is offered but continues to have a direct impact on the health of the children.

In 2023/24, we will be evaluating our use of the funding, under 5 Key Indicators:

- Increase engagement of all pupils in regular physical activity
- Raise the profile of PE and Sport being raised across the school as a tool for whole school improvement
- Increase the confidence, knowledge and skills of all staff in teaching PE and Sport
- Broader experience of a range of sports and activities offered to all pupils

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety.

N.B. Complete this section to your best ability. For example, you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.

Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC programme of study

<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2021.</p> <p>Please see note above</p>	15%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	71%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?0</p>	0%
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	Yes/ No will arrange for current cohort to safe self-rescue course-23-24

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2023/24		Total fund allocated:		Date Updated:		
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation:

Intent	Implementation		Impact			
<i>Your school focus should be clear on what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:</i>	<i>Make sure your actions to achieve are linked to your intentions:</i>		<i>Funding allocated:</i>	<i>Evidence of impact: what do pupils now know and what can they now do? What has changed?</i>		
Increase fitness levels of all children by increasing opportunities within the school day/environment for children to be active.	Sports Captains used at lunch time to provide sporting activities for all children. Sports Captains to promote 5 a day challenge and fitness challenge cards during playtimes and lunch times. Termly events such as Walk to School, Scoot to School, Cycle to School (Eco Lead)		£1,350	Sports Captains will nominate children who are being active and those that are showing sportsmanship and perseverance. To hand out Daily mile certificates, 5 a day and fitness certificates per year group. Once a term teacher to give out certificate per child. (A5) following nomination by Sports Captains. Use pupil voice and 5 a day monitor.		Sustainability and suggested next steps: As a school we want to continue to invest in our children and provide them with opportunities to grow and develop physically and mentally. We want to continue to teach and embed our school values where children can take on challenges, support and encourage each other whilst taking on leadership roles. To continue to promote a healthy lifestyle using the best routes to travel to and from school.

<p>Continue to support the teacher in encouraging the pupils to use 5 a day challenge at school. In addition to this, encourage Families to do the 5 a day at home with their children.</p>	<p>Provide each class with a 5 a daybook, each teacher will then pick a boy and girl (not sporty) to ensure that it is being done daily. Purchase another year's subscription for families to access from home.</p>	<p>£1,000</p>	<p>Meet with 5 a day monitors to check how they are logging when the class has been doing the 5 a day challenges. Pupils will be refreshed and engaged in their learning. Give certificates to the classes that complete the 5 a day challenge weekly to be given out during commendation assemblies.</p>	<p>To continue to promote the wellbeing of every child and teacher, so that they understand that breaks between lessons are vital for their own physical and mental development – good practise.</p>
<p>Replenishment of active playtimes and PE lesson equipment. Continuing engagement of the pupils in daily physical activity within and out of the curriculum hours, ensure equipment enables all pupils to participate in physical activities.</p>	<p>Look into different providers like 5 a day challenge.</p> <p>Order in new stock to replace equipment that is either damaged or broken. – Stock taken completed more benches and mats are needed in all three halls minimum of 16 mats per hall. Minimum of 6 benches per hall</p>	<p>£1,000</p> <p>£5,000</p>	<p>5 a day challenge can be used in KS1 and Lower KS2. Looking to challenge Upper KS2 into being more active.</p> <p>Participation of pupils at lunch times and break times, providing pupils with the chance to participate in 5 hours of physical activity. Pupils are participating in a range of sports and activities. Sport Captains will support.</p> <p>Children will be able to build up their agility and co-ordination, this will also help them to focus and multitask.</p>	<p>To continue to look for different providers that will engage KS2 children.</p> <p>We will continue to invest in the physical and mental development of all children. Therefore, ensuring that equipment is available for all PE lessons and for playtimes and lunchtimes.</p>

<p>Students to participate in sessions to perform self-safe rescues in different water-based solutions</p>	<p>All year 6 students will attend sessions on self-safe rescue.</p>	<p>£1,000</p>	<p>Pupils in year 6 will be able to perform self-safe rescues and talk about what they would do in those situations.</p>	<p>To continue to ensure that all pupils in 6 are able to perform life saving skills. To explore other providers who will be able to provide this service for the children.</p>

What has changed?	Sustainability and suggested next steps:
Staff PE Uniform - Continue to raise the profile of PE as a subject by purchasing PE uniforms for all staff. Demonstrating to pupils that staff members teaching PE are role models.	To ensure high profile of PE across the school and set standard of dress. Research quotes from manufacturers for PE uniforms. Stock take staff members need new white top and some will need the maroon jackets.	£1,300	Set a positive example to all pupils this will encourage them to remember to wear their PE kits. To promote good practice children seeing teachers wearing correct kit will encourage them as well.	Pupils know the importance of having correct clothing for both school time and for PE lessons. Hence giving children extra sense of responsibility for their belongings, equipment & footwear. To continue to provide PE tops for staff.
Continue to raise the profile of PE to parents and across the school.	Sports fixture tournament and achievement on website Communication re tournament/fixtures/events uploaded on Hub and in Newsletters	£0	Parents will know what events are upcoming in PE and competitions in house and externally. This will be beneficially to those parents who do not have access to parent hub.	Parents are proud of children and are eager for them to take part in competitions. To continue to provide parents with upcoming competitions.
Use electronic equipment for our three halls and externally help to raise profile of PE.	All teachers can access music when teaching gymnastics and dance – this will work along side with the school’s scheme of works where music tracks are provided.	£2,000	Parents and staff will see what is happening in the halls and what events children are taking part in. Parents will also see footage of their child taking part in an sporting event – without it being on the school website – This will be internally based.	Temporary electronic equipment has been installed. This has impacted positively on PE lessons. To continue to use the equipment currently available till a more permanent solution is found.
